

Dear Presidents, officers, board members and members of Utah-Idaho Kiwanis Clubs,

Each year the Utah Idaho District offers excellent training and fellowship opportunities for Kiwanis club officers and members in Mid-winter training opportunities.. This year is no exception. In keeping with your club and individual requests for a single-day training we are offering two venues this year for officer and member training. One in Idaho and one in Utah (see dates and schedules attached)

**We ask that all president-elects and vice presidents, new secretaries, treasurers, board members and growth committee members attend one of these single day leadership training events.**

***Kiwanis International Past-President Dave Currey,  
International Trustee Robert Vande Rievriere  
and North American Regional Director, James K Courtwright  
will be in attendance and provide training and motivation.***

Leadership training provided by the District mid-winter is a valuable opportunity for your incoming officers to learn their duties, meet counterparts in the district and begin to form relationships and networking contacts with other division leaders and to meet and begin working with the division Lt. Governor. It is a great way for new Kiwanis members to see the work of the Kiwanis family outside of the community at district and international levels. Kiwanis Leadership Training meetings are informational, fun and motivational.

Attached is information for each of the location trainings, if you are unable to attend one, by all means feel free to attend the other. Be aware that deadlines for registration for the Utah event are fast approaching.

Please contact me if you require further information,

See you at Mid-Winter!

Governor Pattie
